Mrs May

Dear Sir

I just
mentioned that I forgot to answer
your question relative to the Statement
in my letter to Mrs Garrison. I
have been expecting, constantly, to
visit Boston and inform you
personally, but various causes have
prevented me - but receive the papers
every week, for which we are very
glad as we can make a good
use of them. Mrs Chapman wrote
me, some time since, that it
was agreed, at the last anniversary,
to hold no meeting the coming
year, but to have the monies paid

At the annual meeting of the Massachusetts Anti Slavery Society I had an opportunity to see the letter no comment with her Coadjutors - I have remember me respectfully to Mrs Mary and believe me,

Yours,
with great esteem.
